The photograph of the Meeting House which has been selected for first change in format of your Town Report is the outstanding landmark of the Town.

In fact, Newington's birth as a Town sprung from the erection of the Meeting House by our hardy predecessors in 1712.

Its bell, a gift of the good people of Newington, England, was shipped to Boston and recast by the eminent Paul Revere, when in 1804, it became cracked.

Famous people of former days have passed through its doors, starting with its first preacher, the Reverend Joseph Adams, Uncle of John Adams, President of the United States. Ordained in 1705, after graduating from Harvard College, he held the pastorate for 68 years.

Artistically plain, but warm, the Meeting House has stood all these years, the guardian of the last remains of those hardy Townsmen which lie in the Burial Yard within its shadow and of the New Hampshire Hills in its horizon to the North.

That persons come from afar to contemplate its beauty should kindle a greater appreciation in us who live within its view and know its importance in the founding of the Town we call home.

SPECIAL TOWN MEETING
TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Newington qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on the thirtieth day of July next at seven thirty of the clock in the afternoon, to act upon the following subjects:

Article 1. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for plowing snow and other winter care of roads.

Article 2. To receive the report of the Selectmen relative to the terms of a proposed settlement negotiated by them with the United State of America in connection with Civil Action No. 1263, now pending in the United States District Court for the District of New Hampshire whereby the United States of America is to pay to the Town of Newington the sum of twelve thousand dollars (\$12,000) as full compensation for an easement for a water line in and along the Fox Point Road beginning at the boundary line of land of the United States of America and land of Heirs of Stillman Packard and extending to the land of William F. Mott, and for the repair of the damage to said Road by the contractor in the construction of said line.

And to see if the Town will vote to ratify and confirm said proposed settlement; and authorize the Selectmen of the Town to execute and deliver in the name and behalf of the Town such instrument of transfer and conveyance as may be necessary to convey to said United

States of America and its assigns the easement aforesaid and such other instruments of release as may be necessary in the premises in consideration of said sum, and to authorize the Treasurer of the Town to receive and to receipt for the same.

Article 3. In the event that the Town votes to accept the settlement referred to in Article 2 of this warrant, and upon the receipt of the sum of twelve thousand dollars (\$12,000) to see if the Town will appropriate the same for and authorize the Selectmen to expend it for the following purposes, viz: Eighty seven hundred dollars (\$8,700) for reconstruction of the Fox Point Road and the sum of thirty three hundred (\$3,300) in activating such of the hydrants as are referred to in Article 11 of the Warrant for the Town Meeting of March 13, 1956, as require the same, and for said purpose to appropriate and authorize the expenditures of said sums from the aforesaid sum of twelve thousand (\$12,000), the second sum to be lieu of the sum of twenty five hundred dollars (\$2,500) heretofore appropriated for the activating of said hydrants.

Article 4. To see if the Town will vote authority to the Selectmen to purchase in the name of the Town, at an expense not to exceed fourteen thousand dollars (\$14,000) a tract of land of approximately fourteen acres of the easterly side of Route 151 and the northerly side of the Fox Point Road, being a portion of a tract of land belonging to Granville S. and Edith Knox, which tract, in the opinion of the Long Range Planning Committee is well suited for a school house, fire station, public works department, or any other presently foreseeable Town building requirement, and on which this committee has taken an option under the authority vested in it at the Town Meeting of March 13, 1956.

Article 5. To see if the Town will vote to raise and

appropriate a sum not to exceed fourteen thousand dollars (\$14,000) for the purchase of land in accordance with Article 4; this money to be raised in the following manner; the sum of seven thousand dollars (\$7,000) to be borrowed on the Town's credit at a rate not exceeding the current bank rate for a period of sixteen months. The balance not to exceed seven thousand dollars (\$7,000) to be raised by taxation as a part of the 1956 assessment.

Article 6. To see if the Town will vote authority to the Selectmen to acquire for the Town an easement in the premises of Reginald P. Kennard, said easement to consist of the following rights, viz: To repair and reactivate and thereafter to maintain the dam on said Kennard Pond; to erect a platform or apron at said pond to enable fire apparatus to stand thereon for the purpose of pumping water therefrom for the extinguishment of fires and the right to draw said water and the right to pass and repass to and from the highway and said pond with fire apparatus.

Article 7. To see if the Town will raise by taxation in the 1956 assessment the sum of two thousand dollars (\$2,000) and appropriate said sum to build and/or repair said dam and loading apron as required in Article 6.

Article 8. To transact such other business as, legally, may come before the meeting.

Given under our hands and seals this thirteenth day of July, 1956.

WILLIAM F. MOTT
JOHN R. FOSTER
GEORGE A. GARLAND

Selectmen of Newington

Newington, July 13th, 1956.

We hereby certify that on the 13th day of July last, we posted a true and attested copy of the within warrant at the place of meeting within specified, and a like copy at the meeting house, a public place, in said town.

WILLIAM F. MOTT
JOHN R. FOSTER
GEORGE A. GARLAND

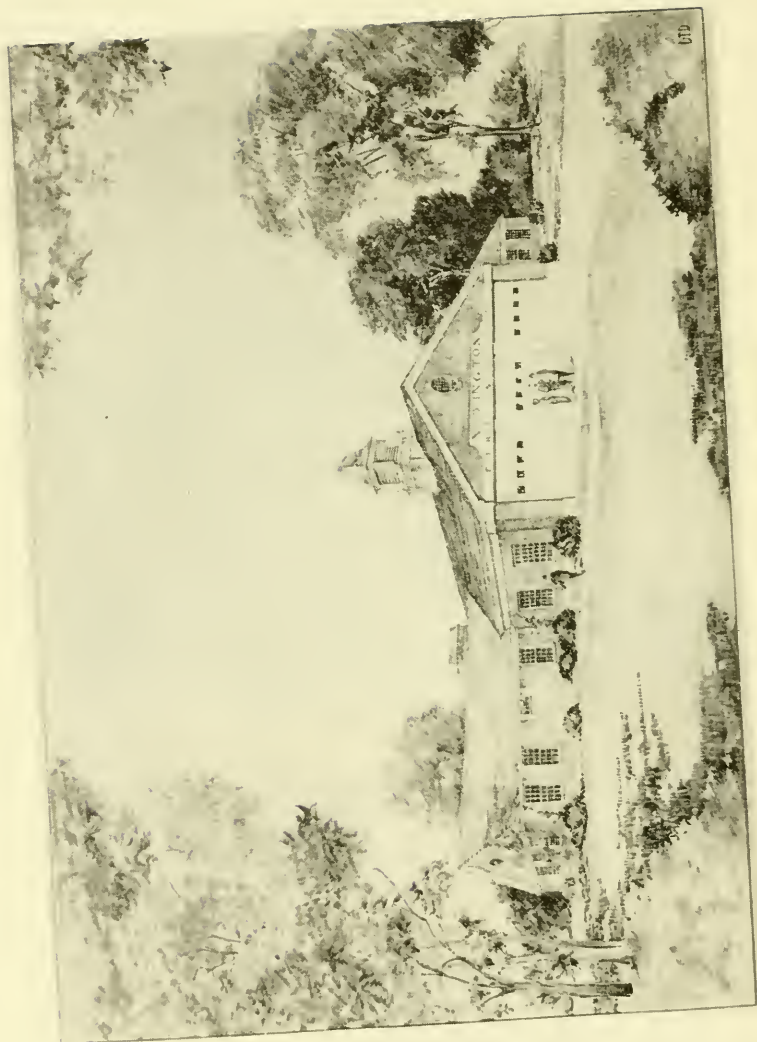

Selectmen of Newington

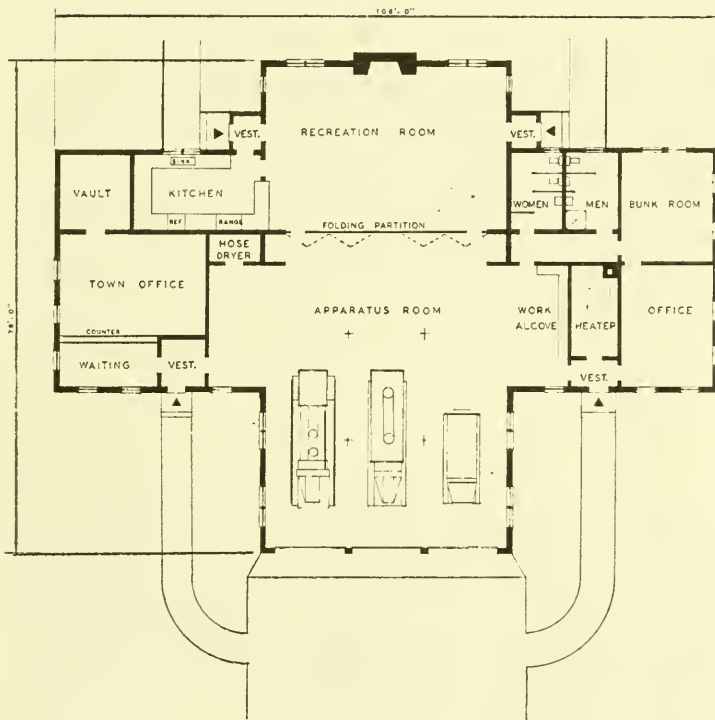

PUBLICITY

A copy of this warrant together with a letter explaining each article and the reasoning back of it was mailed to each family group in town.

RESULT OF MEETING

All articles were passed as read with the exception of Article 4, to which an amendment was added which in effect specified that it should not be mandatory on the School District to locate a school on this site.

PROPOSED CIVIC CENTER AND FIRE STATION

Essential features are Town Offices, Recreation room with complete kitchen, three bays and working area fully equipped with modern fire fighting equipment, chief's room, hose dryers, toilets, showers, locker room, etc.

Seating capacity of recreation room, 150, can be increased to 500 by opening fire proof sliding doors and removing fire equipment. Construction, cement block and brick.

13. To see if the Town will vote to authorize the Selectmen to appoint a chief of Fire Department if and when the Town establishes and owns a fire department. Tenure of office shall be for the year ending with the first succeeding annual Town Meeting in March.

14. To see if the Town of Newington will join the Southeastern New Hampshire Regional Planning Committee whose duty it shall be to work toward a coordinated plan for the development of the area with the view toward encouraging the appropriate use of land; the facilities of transportation and communication; the proper and economic location of public utilities and services; the promotion of good civic design; and the wise and efficient expenditure of public funds, in accordance with the provisions of the Urban Planning Assistance Program authorized by the Housing Act of 1954, amended, and administered by the State of New Hampshire. And further, to appropriate the sum of \$200.00 as the Town's share of the two-year development program for the Southeastern Regional Planning Committee.

15. To see if the Town will vote to prohibit public dancing or dances for which an admission is charged, between midnight Saturday and midnight Sunday, and to impose a fine of \$50.00 for each and every violation thereof. *

16. To see if the Town will vote to prohibit the public display in any manner by an individual of a badge bearing the words Newington Police, unless the individual is at the time of the aforementioned display a duly authorized member of the Newington police force, and to establish a penalty of \$25.00 for each and every violation of said law.

17. To see if the Town will vote to raise and appropriate the sum of \$95,000.00 for the following public works or improvements of a permanent nature and for the purchase of departmental equipment of a lasting character; to construct and build a civic center with the buildings to contain Town offices, assembly rooms, fire department and other related town requirements.

and to cause the same to be built or purchased, under conditions substantially as follows:

END OBJECTIVE.

It is the intent of this undertaking to provide on the centrally located, Town owned Knox Tract, an attractive, modern civic center which will contain Town offices, record storage vaults, recreation room with fully equipped kitchen for group meetings, an auditorium for special occasions requiring capacity beyond that of the present Town Hall, and other related civic needs; also housing and equipment for a modern fire department, together with such facilities as repair area, hose drying equipment, chief's office, showers, toilets, lockers, and other features of such attractiveness as to encourage membership in a volunteer fire department. The End Objective in the fire department is an undertaking so well planned and equipped as to warrant the approval of the Board of Underwriters and to result in substantial savings in insurance costs.

AUTHORITY.

Within the general framework of the End Objective, details of design, exact location on the Knox Tract, equipment, as to type and amount, awarding of contracts for purchase and or building of same, supervision up to the point of completion and turning over to the Town through its Selectmen shall be the sole responsibility of a committee of seven members made up as follows:

BASIC COMMITTEE:

Chairman of the Board of Selectmen
Chairman of the Budget Committee
Chairman of the Planning Board
Chief or Acting Chief of the Fire Department

and three Members at Large chosen by the above Basic Committee. Members at Large shall be qualified voters of the Town, and one of their number shall be a resident of South Newington, so-called.

All members shall have equal voting power.

All terms of office shall be for one year, ending at the next Annual Town Meeting Day in March, or whenever the completed project is turned over to the Town, whichever occurs first.

Vacancies in the Basic Committee shall be filled by the duly qualified successor in office of said member or members; other vacancies shall be filled by vote of the Basic Committee.

FINANCING.

The sum of \$22,000.00 to be raised by taxation in the current year. The sum of approximately \$11,000.00 to be transferred from the Capital Fund Trust of \$10,000.00 created from the moneys received from the sale of the Town Wood Lot, together with accumulated interest, which fund is currently lodged with the Trustees of Trust Funds.

The sum of \$62,000.00 to be raised by the issue of notes or bonds of the Town of Newington, and to that end to authorize the Town to incur indebtedness in said sum under the authority of the Municipal Finance Act (R S A 1955, Chapter 33) and any amendments thereto, for the aforesaid construction of public buildings and improvements of a permanent nature, to-wit, a civic center, and for the purchase of departmental equipment of a lasting character, to-wit, fire fighting apparatus and equipment; said notes or bonds shall be general obligations of the Town of Newington and shall mature over a period of five years from the

date of issue, and as provided in said Municipal Finance Act and amendments thereto.

18. To see if the Town will vote to raise and appropriate the sum of \$500.00 (in the event the Town rejects Article 17 which contains a similar provision) to authorize the Selectmen, with the permission of the Library Trustees, to build a suitable storage place for the keeping of Town Records not in current use in the Langdon Library.

19. To hear the report of the Town Clerk on the result of the election of Town Officers.

20. To transact such other business as may legally come before the meeting.

* Articles petitioned by ten or more signers.

Given under our hand and seal this twenty-third day of February in the year of our Lord, one thousand nine hundred and fifty seven.

WILLIAM F. MOTT
GEORGE A. GARLAND

Selectmen of Newington

Newington, February 23, 1957

We hereby certify that on the twenty-third day of February, 1957, we posted a true and attested copy of the within Warrant at the place of meeting within specified and a like copy at the Meeting House, a public place in said town, and delivered the original to the Town Clerk.

WILLIAM F. MOTT
GEORGE A. GARLAND

Selectmen of Newington

Note — 10 a.m. to 12:30 p.m. will be given to balloting on Article 1. Article 2, etc., commences at 12:30 p.m.

REPORT OF THE LANGDON FREE PUBLIC LIBRARY

Changes in the town bring changes to the Library, and the realization that the Library is passing through a period of development where it must seek to reach a greater number of people through improved service and organization.

The basic need of reorganization in the card cataloging has been mentioned in previous reports. This project is progressing, and the cataloging of the children's books has been completed. Visitors often remark on the excellence of our collection of children's books. With her previous training, plus the experience of working with Miss Hanlon, Mrs. Bullock will now be able to continue the cataloging of the adult books. The work involved in this undertaking is hard to realize. Under the supervision of a member of the State Library Staff shabby and obsolete books have been discarded.

An up to date set of Compton's Encyclopedia has been purchased. The bookmobile comes four times a year which makes a greater variety of books available. You are urged to make use of this opportunity by requesting books which you would like to read for pleasure and for research.

The Library was represented at the Governor's Conference of Libraries at Concord, and at a meeting in Durham. Both meetings were stimulating and lively with constructive ideas.

For the third summer the Library has been opened on Wednesday evenings for a series of community meetings with varied programs. To our friends who have given so generously of their time and talents we extend our gratitude and appreciation. Our thanks to:

Mr. Subhash Datta and Mr. Sanat Majunder of Calcutta, Mr. Harold Benjamin, Mr. Benjamin Orcutt, Mrs. Helen Funkhauser of Durham, Mr. Rufus Jasper of Eliot, Miss Charlotte Conover of Concord, Rev. Ralph Huffer of Dover, Mr. Robert Marvin of Portsmouth, and Mr. Frederick Pickering of Newington. Mrs. Thatcher of Durham, a registered conchologist with her fascinating collection of shells gave a talk to the school children in the late spring. Miss Edith Brewster of Portsmouth gave a delightful story hour for the children, and it is hoped that there may be more such pleasant hours.

For the third time the Library has received an award from the N. H. Roadside Improvement Associates. Thirty dollars received from this association has been used directly on the surroundings of the library. A gift of fifteen dollars to be used toward improvement of the grounds from Colonel Henry B. Margeson was timely and much appreciated. The growth of poison ivy on the grounds and on the building has been a perplexing problem. The vine at the right of the front door that appeared so beautiful was largely of the poison variety so entwined that it could not be separated, and the vine on the north side had been entirely dead for two years or more. These have been removed, and a new planting is planned in the spring. The growth of ivy on the west side is luxuriant and beautiful. The front lawn was fertilized and reseeded, and evergreens planted. The flowers in the drinking fountain were attractive and brought favorable comment.

Due to the fact that we have no janitor it seemed economical and advisable to purchase a vacuum cleaner.

The increasing number of out of town visitors who come to the Library for research is surprising and pleasing. 1957 will mark the 65th anniversary of Langdon Free Public Library.

REPORT OF POLICE DEPARTMENT

The Newington Police Department wishes to report that we have made 191 calls in the town and travelled 2,836 miles. We have answered 79 accidents, 9 breaking and entering. We have given out 98 warnings for motor vehicle violations. We have had in Portsmouth courts 4 D.W.I., 5 yellow line violations, 7 stop signs, 5 operating without a license, 1 discharging beer bottle from car, 6 unregistered automobiles, 2 crossing center strip, 15 for speeding, 3 stolen cars, 3 careless operation of motor vehicle, 4 operating without stickers, 2 hunters.

We have been able to go through the year of 1956 without a fatal accident, although having 79 accidents is a good record and were able to receive a citation from the Commissioner of Motor Vehicles for our co-operation in the "Slow Down and Live" drive.

We would like to thank Harold Garland for purchasing a radio to work in conjunction with Civil Defense and the Police Dept. This was from the Civil Defense appropriation.

We would like to thank the people of the town of Newington in helping to keep our accident record down. We would like to also thank the Selectmen for their work and co-operation they have given the Police Department in the past year.

I wish to thank the members of the Police Department for their fine work and co-operation during the past year.

Respectfully submitted,

WILLIAM A. LaBONTE
Chief of Police

FIRE DEPARTMENT REPORT

The Fire Department is very pleased to report few fires during 1956. This shows that the town's people are being very fire conscious. We were very fortunate in having only 12 calls during the year. All our in-town fires were minor ones. On one occasion we were called for Mutual Aid Assistance and received assistance from Portsmouth, Dover and the Air Base.

We are a member of the Interstate Mutual Aid Unit, which is a Unit that provides mutual aid to any town that has a major fire that it cannot handle with its own fire equipment. By placing a call to the Mutual Aid headquarters we are able to have all the available equipment coming in from surrounding towns to give us assistance in confining any fire we may have.

In the early part of the year bids were called for, for 1½ inch hose. After receiving the bids the Fire Department recommended that the Selectmen purchase 1000 ft. of this hose from the American Fire Equipment Co., which they did, and this hose has been painted with identifying colors and installed on the equipment.

A two-way radio was purchased and installed on the Assistant Fire Chief's car which has been a great asset to the Department.

We wish to take this opportunity to express our appreciation to the Women's Auxiliary for the work they have done during the past year.

The Fire Department stands ready to help anyone who needs us. The firemen have taken part in training programs and various discussions during the year. In this way they keep active and up to date with the latest fire fighting techniques.

The hydrants being activated along Fox Point Road have provided a supply of water that will aid greatly in combating any fires we may have there. They have been properly tested and have been ready for action since last Fall.

The members of the Fire Department wish to take this opportunity to express their appreciation to the Town for its help and also to Chief John E. Holden and the Atlantic Terminal Sales Corporation for their support and maintenance of the equipment and fire station.

Respectfully submitted,

Newington Vol. Fire Department.

REPORT OF SCHOOL COMMITTEE

FOR 1956-1957

The most notable change in our school personnel was occasioned by the retirement of John Hoyt as janitor and the appointment of Richard Spinney to take his place. For many years John Hoyt was a faithful, loyal, interested and devoted custodian of our school property. We are deeply indebted to him for his fine service and we regret his enforced retirement because of bad health. In Richard Spinney, however, we feel most fortunate to have found a fine successor. We know he will fulfill the duties of custodian in the same high-minded manner as his predecessor, keeping the school property in first class cleanliness and repair.

During the summer vacation, Richard Spinney built shelves for our primary room, kept the lawns mowed and cleaned the school throughout to prepare for the Fall session. Thus far this year, he has also repainted the blackboards in both classrooms.

We are indebted to Ernest Kaddy for seeing to the flooding and proper care of the school skating rink which has added so much to the joy and improved physical coordination of our pupils for several years. We are also most grateful to John Holden for the loan of his fire truck to flood the rink. The School Board has had flood lights installed outside with an outside switch so that any group of children or adults may have free access to lighted evening skating during the winter months.

The School Board has been well aware of the problem of noise, dirt and distraction caused by the school's proximity to the Air Base runway. The Board

has written to Senator Bridges about this problem, stressing its unanimous opinion and plea that the present location of the school is untenable and that it should be relocated. In this matter our Superintendent, Mr. Toll, has also been in contact with the Federal representative in charge of allocation of federal funds for such purposes. No funds are available to us, however, under existing federal laws until such time as our enrollment includes a large percentage of children whose parents work or serve on federal property. This circumstance has not yet materialized but the Board will continue to be alert for new federal legislation which might help us with this problem in the future.

We feel most grateful to Margaret Pickering, our primary teacher and principal, and to Mary C. Hopkins, our upper grades teacher, for their continued fine teaching and loyal service. Their efforts and fine ability are reflected in the superior rating of our pupils on national tests and in the good records made by our graduates in the Portsmouth Junior High School and Portsmouth High School. We feel fortunate indeed to have had them with us over so many years, thereby avoiding the continual replacement problem suffered by so many other towns of comparable size.

The children have benefited more than ever this year from the combined music and sports program, planned and executed by Lillian and William Elwell. Wednesdays are peak days for the youngsters as they watch for the Elwells to arrive. Music instruction by Mrs. Elwell enriches their lives and provides the only form of the fine arts offered in our schools. We should like sometime to add drawing instruction. Mr. Elwell instructs the pupils in team sports. He has been most helpful in building up character traits of good sportsmanship which we all desire for our youngsters and on

furthering their physical coordination which is reflected in improved class work.

Another innovation in our curriculum is the "story-telling" hour which is held occasionally at the Library. Mrs. Charles Brewster from Portsmouth has held the children spellbound with her wonderful art of story telling. The Board wishes to express its appreciation and gratitude to the Library Trustees who make this program possible financially. We are sure it will stimulate the childrens' imaginations which will result in more creative class work and in a greater desire to read worthwhile books. We are especially fortunate to be so near our public Library to which the children have easy access and for the interest and cooperation of our Librarian, Cecelia Bullock.

Marjorie Moore as our School Nurse this year has kept the level of the school health at a peak. As you will see by her report, the children have had sight and hearing examinations, the results of which are recorded on permanent health records. We are happy to have such fine health supervision.

This year three Polio Clinics have been held at the school at scheduled intervals for dispensing Polio Salk serum to all our youngsters whose parents wished them to have shots. These Clinics have been held and supervised by Dr. Girard Griffin, assisted by Public Health Nurse, Ruth Allen, from Portsmouth. Several of our parents and corpsmen from the Portsmouth Air Base have given great aid at these Clinics, by helping to record data, prepare the youngsters for the shots, etc.

Together with Mr. William Marshall, President of the Marshall Transportation Co., we have planned the complicated scheduling of bus service for Senior High, Junior High and elementary school children from both

ends of Newington. A friendly approach to problems and cooperation from parents and drivers have ironed out any difficulties which arose. The Board wishes to commend Mr. Marshall and his drivers for their care and trust of our children.

Arthur Toll, Superintendent of Supervisory Union No. 56 continues to be of incalculable aid to the Board in forming policies of administration and in meeting problems within the school. His unfailing patience, continuous attendance at School Board meetings, his fine administrative ability and his prompt attention to all matters referred to his judgement have made the duties of the School Board far less arduous than they might be otherwise. His guidance and help have made all school affairs run smoothly and efficiently.

The School Board meets on the third Friday of each month at 7:30 P. M. at the school house. Parents are invited to attend at any time.

Respectfully submitted,

ANNE H. HISLOP, Chairman

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Newington:

I, herewith, submit my annual report as your superintendent of schools. The cooperation and professional capabilities of the school board and the school personnel was again the primary factor in insuring sound educational progress and achievement in our school system. Citizens who have lived in our community for a number of years seem to take our good school for granted, but we have received a number of compliments from new citizens who have moved from other communities, and who seem particularly pleased with what we offer our children. Achievement tests given during the past year indicate that our pupils exceed the national average at the various grade levels. Pupils who have completed their schooling in our system continue to do well in the higher grades.

Teacher salaries continue to be adjusted to a more reasonable level in all communities. Just about every school system has established a minimum salary of \$3,000. Graduates of Teacher Training Institutions have been receiving this minimum for the past two years, and these graduates are without experience. Our teachers have many years of successful teaching experience behind them. If any of our teachers should resign or retire we would need to replace them with teachers of much less experience, and at the same or greater cost than our present salaries.

Our school enrollment has remained fairly constant for the past few years. So far the expected influx from the Air Base has not materialized. The latest reports seem to indicate that a new school will be built on Federal property on the Portsmouth side of the Base.

If that develops, then the Federal Government will in all probability turn the school over to the Portsmouth Authorities to supervise. Newington will not be involved until new houses on the Base are built on the Newington side.

Respectfully submitted,

ARTHUR E. TOLL,

Superintendent of Schools
